**TO WHOM SOEVER MAY CONCERN**

This is to certify that the undersigned have assessed the manufacturing/production facilities and capability of M/s Dynamic Cables Limited having works situated at **A-129, A129A, A-130, SKS Industrial Area, Reengus, Sri Madhopur-332004, Rajasthan, India.** The manufacturing capacity in respect of all items are summarized as under: -

| Sr. No. | Description of Material                                                                      | Manufacturing capacity per Month |
|---------|----------------------------------------------------------------------------------------------|----------------------------------|
| 1       | (a) AAAC & ACSR conductor (upto 19 strands)<br>(b) Over above upto 61 strands                | 6000 Kms.<br>1000 Kms.           |
| 2       | (a) AL-59 conductor (upto 19 strands)<br>(b) Over above upto 61 strands                      | 6000 Kms.<br>1000 Kms.           |
| 3       | AAC Conductors                                                                               | 5000 Kms.                        |
| 4       | (a) Low Voltage Covered Conductors (LVCC)<br>{b} Medium Voltage Covered Conductors<br>{MVCC} | 3000 Kms.<br>1200 Kms.           |
| 5       | LT XLPE Cables                                                                               | 1000 Kms.                        |
| 6       | LT AB Cables                                                                                 | 2000 Kms.                        |
| 7       | Control Cable                                                                                | 766 Kms.                         |
| 8       | LT PVC Cables                                                                                | 1000 Kms.                        |
| 9       | Communication Cables                                                                         | 3000 Kms.                        |
| 10      | 11 KV, 22 KV, 33KV, HT AB Cables                                                             | 500 Kms.                         |
| 11      | 11 KV, 22 KV, 33KV, HT XLPE Power Cables                                                     | 600 Kms.                         |
| 12      | 66 KV HT XLPE Power Cable                                                                    | 150 Kms.                         |
| 13      | DC Cable                                                                                     | 10000 kms.                       |

Above certificate is issued based on the verification of records of production, the manufacturing capacity and assessed with the plant and machinery installed at plant as on date. This is issued without prejudice and on the basis of actual inspection.
